

JOIN US FOR THE TINTINA GOLD BELT BREAKFAST

March 7, 2023 | 7:00 - 9:00 AM

Join **Crescat Capital's** Geologic and Technical Director, Quinton Hennigh, for the **Tintina Gold Belt Breakfast** featuring the CEOs of **Banyan Gold, Rackla Metals, Snowline Gold Corporation and Tectonic Metals Inc.**

Come and learn more about the technical attributes of these companies' projects and the exciting investment opportunities that abound in this prolific mineral belt.

Dr. Quinton Hennigh is Crescat Capital's Geologic and Technical Director whose expertise includes advising the companies in Crescat's activist investment portfolio regarding their exploration and development strategies. Dr. Hennigh's distinguished career includes exploration for mining majors and the discovery of numerous gold discoveries globally.

Tara Christie, M.Sc. P.Eng, has over 25 years of experience in exploration and mining. She is a founding board member of the Yukon Environmental and Socio-Economic Assessment Board; currently serves on the boards of Western Copper and Gold and Osisko Green Acquisition; and is President of the charity Every Student, Every Day that works to improve attendance in Yukon schools.

Scott Berdahl is a professional geologist with over 15 years' industry experience. Born in the Yukon, he brings a strong technical grounding in discovery-stage exploration alongside in-depth local knowledge. He has business development experience with a number of private and listed gold and base metal companies. Scott holds a BSc in Geology, MSc in Earth Science & Engineering and an MBA.

Simon Ridgway is a successful prospector and mining financier. Starting out as a prospector in the Yukon Territory in the 70's, Simon and the teams under his guidance have discovered gold deposits in Central America and silver deposits in Mexico. Simon is a founder of Fortuna Silver Mines.

Tony Reda is CEO and co-founder of Tectonic Metals. Prior to Tectonic he served as VP, Corporate Development for Kaminak Gold Corp. (Sold to Goldcorp for \$520m in 2016). Tony executed Kaminak's strategic planning, financing, business development, and marketing, orchestrating capital raises to fund the acquisition and advancement of the Coffee Gold Project from grassroots discovery to bankable feasibility study.
